

**OUR SOLDIERS AND SAILORS OVERSEAS**

# To All A MERRY CHRISTMAS

*Santa Cruz County is bursting with pride and earnest affection for all our gallant boys and girls in uniform. Every moment since the war began those of us at home have held constantly in our hearts the sort of hopes and best wishes for our many dear ones in service that we usually express only during the holiday season. Thus our Christmas Greetings which will take months to reach our heroes serving on the far-flung battle fronts throughout the world are equally timely and appropriate if received today, tomorrow, or in fact any time at all.*
