

# The Name Of Theodore Gebler

that staunch Pioneer and Philanthropist who passed to his Last Reward on August 26, 1926, will remain in the memory of the citizens of Nogales for all time to come.

Coming to Nogales when a young man, Theodore Gebler made his fortune in Nogales and a sizeable fortune it was, as everyone knows.

To show his appreciation of the way he had been treated in Nogales and desiring to help the more unfortunate citizens—those who must seek charity in order to exist,

**Theodore Gebler Made Provisions In His Will For A Fund Of Not Less Than \$40,000 To Be Invested In A Store And Office Building And The Rentals From The Building To Be Given Entirely To Charity. The First National**

Bank is made Trustee of this fund. The building has been erected, and a splendid structure it is. The Gebler Building will stand as a fitting monument to the memory of that great citizen who made it possible.

*It is with the keenest pleasure that we join in Publicly expressing our deep appreciation for this gift to the charity of Nogales and in praising the generosity and honoring the memory of our beloved fellow citizen who has passed from us but who will forever stand as one of Nogales' foremost citizens:—*
